

APRIL AT EL GANZO

2021 - YEAR 9

El Ganzo as you may know, is a very special place. Things happen in every corner, people connect on different levels and things just happen out of magic. This month is no exception, our Artists in Residence Máscaras de Alambre are planning on building something that will sure blow your minds, and our dearest friend Erlend Øye is back! What else can we say?

See you sooooooon!

ARTIST IN RESIDENCE: MASCARAS DE ALAMBRE APRIL 9 TO 19

Máscaras de Alambre is a project by Pablo Cobo and David Herrera, they describe it as an interdisciplinary project based on wire sculpture, visual performance and musical experimentations. Ever since they started the project they have developed multiple disciplines and created pieces for editorial, big installations, garments and jewelry. They have participated in multiple festivals, music videos and art fairs. Stay tuned for the magical creature they will create this month at El Ganzo!

Check them out! @mascarasdealambre

MUSICIAN IN RESIDENCE: ERLEND ØYE

APRIL 2 TO 9

Our dearest friend Erlend Øye couldn't get enough of us, so now he is back! Erlend has been a force to be reckoned with, releasing numerous albums, EPs, and singles with his two bands, Kings of Convenience and The Whitest Boy Alive,

During the quarantine last year, El Ganzo had the honour of opening the doors for him and Sebastian Maschat, having a full album produced at our very own Ganzo Records. Be sure to drop by, as there will be tons of surprises coming from the least expected places.

Check him out! @erlendoye1975
