

MAY AT EL GANZO

2021 - YEAR 9

This month is full of art, from visual, to music to culinary. We are so excited to announce our very first Chef in Residence, Richard Sandoval who is going to cook a really special dinner at a special location inside El Ganzo. Also we will be hosting mexican musicians Caloncho and El David Aguilar with their recent project La Vacación and colombian artist Mateo Pizarro who will be creating a magical creature that will be captured inside one of our walls. May is the perfect month to hang out at El Ganzo, tasting our new menus at The Rooftop and at El Restaurante by chef Dani Reyes, or maybe relaxing at The Spa with one of our customized and magical treatments. Come by and get inspired all over again!

CHEF IN RESIDENCE: RICHARD SANDOVAL

MAY 20TH TO 24TH

SPECIAL DINNER: MAY 22ND

Richard Sandoval, grew up in Mexico City and became interested in gastronomy from a young age when he cooked with his grandmother, who taught him how to use fresh and authentic ingredients to create vibrant flavors. His passion for cooking led him to study at the Culinary Institute of America and after graduating he focused on contemporary French cuisine, but soon he returned to his origins in Mexican food. Over almost two decades his career has evolved and he has become a renowned restaurateur and culinary consultant. He founded Richard Sandoval Restaurants (RSR), a company that is characterized by offering an original culinary experience, under which he has created the concepts of more than 40 restaurants in the most iconic destinations in the world, from Arizona, California, Florida, Nevada, New York and Washington, DC, to Dubai, Hong Kong, Qatar and Serbia

ARTIST IN RESIDENCE: MATEO PIZARRO

MAY 19TH TO 31ST

Mateo was born in Bogotá, Colombia in 1984. He studied Electronic Arts in the University of Los Andes, but most of his work revolves around the technique of drawing, in which he has created his own language. Mastery of technique, conceptual depth, and sense of humor are fundamental to his work. He has exhibited his pieces in Colombia, Mexico, United States, Argentina, Chile, Spain and France, including fairs such as ArtBo and La Otra, in Bogotá, ArteBa in Buenos Aires and Drawing Now, in Paris.

Check out his work! @mateopizarro_

MUSICIANS IN RESIDENCE: VACACIÓN

MAY 27TH TO JUNE 2ND

La Vacación is a musical project made up of the great Mexican musicians Caloncho and El David Aguilar. The sound is soft, full of subtlety that makes you imagine the most beautiful landscapes that one experiences on vacation. Both musicians have more than 7 albums, presentations in more than 13 countries, and 7 Latin Grammy nominations. They have collaborated with renowned musicians such as Jorge Drexler, Natalia Lafourcade, Mon Laferte and Siddhartha. Both Caloncho and David are looking to have a single voice and in this way they have discovered that composing is easier when being together; They have also learned to give in to the proposals that each one offers in order to tie up the project.
